New Legislative Committee Plans

Recently, the WMGMA Board of Directors discussed and decided to reshape the current setup of the Legislative Committee. Starting in August, the Legislative Committee will be convened as a conference call open to members. Erik Kanter of Hoven Consulting will join calls to provide updates on and discuss legislative items. Participate on this call to provide input for the Board to consider when making decisions about legislative initiatives.

Register for the call [here](#).

ACMPE Update

Congratulations to Sandra Scola of Lodi for attaining Certified Medical Practice Executive (CMPE) status!

Read about ACMPE updates including enhancements, upcoming exam schedules, and certification study groups [here](#).
