A graphic with a green background and white text. The text reads 'Learn more about ACMPE'.

March Payer Forum Recap

Submitted by Dean Cravillion, Payer Committee Co-Chair

On March 19, the WMGMA held its first quarterly Payer Forum meeting of 2018 at UW Health in Madison. Attendees of the meeting included payers and WMGMA members. This meeting was the first with a new format that changed to include all payers to meet in-person in the morning session for Q&A, and payers were welcomed to stay for lunch.

Submit your questions and register for the June Payer Forum!

Members are invited to login and submit their questions [here](#).

Questions are due by May 1, 2018, in order to be discussed at the June 18 meeting. There will not be a conference call option this year. Please plan to attend in-person. Registration includes electronic materials and lunch.

June 18, 2018, 9:00 a.m. - 2:00 p.m.
UW Health at the American Center

Service Animals in the Medical Practice

Animals are rarely seen in physician offices, so it may take patients and staff by surprise when a person walks in with an animal. Many physicians and their staff actively discourage the presence of animals within the office for cleanliness and hygiene reasons—as well as the potential safety threat from an uncontrollable animal. However, medical practices that prohibit all animals from their premises under any circumstances risk facing allegations that they have violated the Americans with Disabilities Act (ADA).
