

Advancing Leaders. Advancing Practices.

Become an Affiliate Member of Wisconsin Medical Group Management Association

The Wisconsin Medical Group Management Association is the go-to source for individuals working in a medical practice management setting in Wisconsin. By becoming an Affiliate Member you reap the unique membership benefits that include networking and access to Wisconsin MGMA's online membership directory, industry news, event exhibition discounts, e-news article contributions and member presentations through webinars and conferences.

WMGMA serves as a resource for information, education, networking, and advocacy opportunities for all medical group management professionals.

Partner with WMGMA today!

Become an Affiliate Member of WMGMA

Share your expertise and network with executives, administrators, managers and team leaders charged with leading medical group practices successfully through the industry's challenges and opportunities by participating in WMGMA events. Opportunities for participation include Sponsoring or exhibiting at the *WMGMA Annual Conference*. Affiliates are also invited to share their knowledge with WMGMA members through the *Annual Webinar Series*.
